

Tour de Hwange

23-26 May 2018

Support cyclists supporting conservation!

A group of cyclists from Harare, called the Trotting Porkers, are touring Hwange National Park, in conjunction with Friends of Hwange, to raise funds and awareness of conservation in Hwange National Park. The Tour will start at Main Camp, to Jambili, then on to Ngweshla, Kennedy, & finishing back at Main Camp - covering over 120km on rough, sandy dirt roads & tracks in just 4 days.

Your donation towards conservation would be greatly appreciated, no matter how small - every cent counts.
